## Additional Information:

i. your C.V. may be attached explaining your education, cultural background, work experience, extra-curricular activities, travel, etc.

ii. attach a brief statement of your area of interest in architecture & community design, your contemplated thesis topic, what you can bring to the workshop, and how you may benefit by participating in this Workshop.

iii. following the initial review of applicants, you will be requested to submit a PORTFOLIO of your current and pre-academic (if relevant) DESIGN WORK. An informational session may be held soon after for those short-listed. Final Selections will be made in mid-April.

iv. JDW/iADW is seeking design excellence, good teamwork, diversity of student backgrounds, and favorable faculty recommendations. Japanese language proficiency or past residency in Japan is not considered an advantage.

**Deadline for this Application Form: Tuesday March 15, 2016 (JDW) /  
Friday April 01, 2016 (iADW)**
